Remembrance and celebration

Bethel Park held its Community Day Saturday, Sept. 11, which also coincided with the third anniversary of the terrorist attacks in New York City, Washington, D.C. and Shanksville. The day started at the municipal building with a flag ceremony by Boy Scout Troop 225 honoring fire, emergency, police and military personnel. Here, Sen. John Pippy stands with Boy Scouts Robert Amrhein, left, and Greg Zilinski after placing a wreath at the veterans memorial.
